

FROM THE PASTOR'S DESK...

The right column on this page is the St. Vincent de Paul report for the 4th quarter. I hope you take the time to read through this report carefully and with gratitude. You can see the many ways in which we share the funds that you donate to our SVdP Society. Every dollar you donate goes to helping those who have special needs.

I am privileged to serve as a member who helps with the home visits. In my experience making these visits, I have been humbled to witness the compassion and understanding that our home visit team members share with those who are in need. They represent our parish extremely well, and they bring the love of Christ to those who are in need in a very caring way. Please remember the members of the St. Vincent de Paul Society in your prayers of gratitude. Thank you for your ongoing generous donations!
